

Hello there.

Our top room is very much ready to hire for your specific needs.

You will have complete exclusivity of the top half of the room and obviously access to the bar which is situated in that room. So long as we know what time you will be arriving, we can have a bartender attending to your every need from the very start.

On the busy weekend nights, we will need you to arrive before 7.30pm latest. Any later than that and it becomes increasingly hard to keep areas reserved.

On Friday and Saturday nights we have DJ's playing from 9pm- some of the best local, national, and international practitioners of the fine art you will find, with a rich and eclectic mix of the finest classic beats and contemporary obscuria known to man.

In terms of food, we offer anything from our menu and can cater for large numbers. We will just need to know how much you are willing to spend per head (£3-10) what it is that you want and we'll do the rest.

And if you want to bring a few balloons and a cake that's all fine – just let us know beforehand, and know this: we'll want a piece!

We look forward to accommodating you.

Dulcimer.
